## 2025 Summer Junior Camps

These multi-Day camps are designed for juniors ages 5 – 14 that are new to the game or have minimal experience. The coaches will group athletes based on age and skill level. We will focus on rules, fundamentals, skill building exercises, and games to foster your child's learning. This season we've increased the program to a half day: Tuesday through Friday. Registration includes 12 hours of practice, gift package, snacks, and prizes.

The camp will be structured with three Teaching Professionals and three staff members. There will be three stations; full swing on the driving range, short game, and putting. Each Station will have a Teaching Professional and a staff member. Participants will be grouped by age and skill, with up to 12 in each group. Students will spend 50 minutes at each station with a small break in between with snacks and drinks provided. Fridays will be competition day where the athletes can win prizes for their accomplishments.
