

# 2026 Junior Fall Coaching

Perfect for young golfers, ages 7-14, with some experience who want to elevate their skills. Over seven weeks, participants will join one of four classes ensuring personalized coaching and group activities. Sessions include skill development, exciting challenges, and friendly competitions, making learning golf fun and effective.

Juniors can enjoy weekday play after 5pm and weekends after 4pm for a \$20 cart fee, with a parent accompanying each student. Starting from the 100-yard marker, juniors progress through our hat system by achieving specific scores. Join us to improve your skills and enjoy the game!

***New for 2026:*** Can't commit to the full 6-week session? You can now register for individual classes that fit your schedule.

|         |            |                 |                         |
|---------|------------|-----------------|-------------------------|
